Submit Your Project for Maker Faire Detroit 2011

Project Details (Step 1 of 3)

*Indicates a required field.

1. Project Name *
Provide a short, catchy name for your project.
2. Project Description *
Describe your project and what it does. Please note, you will have the opportunity to provide logistical details in Step 3.
3. Project Description for the Website and your Maker Sign *
In 225 characters or less. This information will appear on our website and on your Maker sign.
4. Project Website Address (URL)
Example: <http://www.mygreatproject.com/> Provide a link to more information about your project.
5. Project Photo
Example: http://farm3.static.flickr.com/2734/4092798589_2578ec1ba7_o.jpg
Please select your best photo for your sign. Please do not include a link to an entire online photo album. Please provide one specific photo URL of your project for use on the Maker Faire web site. Right click on one specific photo, copy link and paste here.
6. Project Video
Example: <http://www.youtube.com/watch?v=Tkz1KSpIAZ4>
Please provide the web site address (URL) to a video of your project.
7. Project Keywords
Example: *robotics "wireless sensor" security*
Use keywords to describe your project.
8. Category * (Circle the best category for your project)
Arts, Crafts, Engineering, Food/Sustainability, Green, Music, Science, Young Makers
9. Reference(s)
Are there other makers who are familiar with your work? List their email or other contact info here if we may contact them.

10. Are there other organizations or makers that we should be contacting about participating in Maker Faire?

Submit Your Project for Maker Faire Detroit 2011

Maker Details (Step 2 of 3)

*Indicates a required field.

Public Information

1. Name * First Last
2. Organization/Company
Use organization as Maker name: Yes No
If you choose to use your organization as Maker name, your org/company will appear on the website and sign, not the first and last name given above.
3. Bio
Please tell us about yourself in 50 words or less; we'll use this on our web site and in printed materials.
4. Photo to display with Bio (URL)
Head shot preferred
5. Personal Web Site Address (URL)
6. Twitter User Name
7. Location City State/Province

Contact Information - Please make sure your email address is valid. We will be sending important communications to you via email regarding your participation in Maker Faire

8. Email Address
9. Display email address on Maker Faire web site? * Yes No
8. If you choose "yes", we'll display the email address you use above on our web site and we'll munge it with javascript to help keep it from being found by spam bots. This helps other makers contact you if they're interested in your project and have questions or comments.

Private Information

This information will only be used by Maker Faire staff.

11. Phone number *
12. Address Line 1
13. Address Line 2
14. City State Zip
15. What groups or organizations do you belong to?
