

Maker Faire®

Student Activity Sheet

Your Name: _____

M	A	K	E	R
I saw something that plugs in.	I added my small part to a big [collaborative] art project.	I saw something inspiring.	I heard someone talking on a radio (walkie-talkie.)	I noticed something I have at home reused in a new way.
I enjoyed a performance.	I saw something that makes a sound.	I want to go make something!	I saw something BIG .	I watched a demo.
I saw something that could have existed before the year 1900.	I saw something I wish I could show my family.	I want to come back on Saturday and/or Sunday!	I saw something I think I could make myself.	I saw something that humans might still use in the year 2999.
I saw something solar-powered.	I saw something bright .	I'd like to show my own projects at a Maker Faire someday.	I saw something robotic.	I saw something human-powered.
I saw something recycled / reused.	I had a new idea.	I saw people setting up Maker Faire.	I made something I can take home.	I saw something combining art and science.
